## Introduction

Shibli National College, a premier seat of learning in eastern UP was founded in 1883 by the great oriental scholar; Islamic historian and educationist, Allama Shibli Nomani, who realised that economic and educational backwardness of his community could not be mitigated unless new methods of cultural progress were evolved. To arrest the rapid economic and socio-culture decline of the community it was necessary to arm it with the weapon of modern education along with its traditional culture. He thought it prudent to combine the best elements of the culture of the east with the science and new vistas of knowledge developed in the west. He established this school to gradually achieve these cherished goals. The school established by him gradually new in stature by relentless efforts of his disciples and successors. It rose to a Degree College standard in the tumultuous days of 1946 by untiring efforts of late Janab Basheer Ahmad Siddiqui. The succeeding principal, Janab Shaukat Sultan, worked relentlessly for the development of the college. Due to his sincere efforts the college became one of the first colleges to be accorded the Post-graduate status by the Gorakhpur University in 1970.
